NARCO Asbestos Trust
Presumptive SOE Chart - 05/17/2016 Rev 2

Key:

A pairing with a 1 at the intersection point will be considered presumptive SOE.
Presumptive SOE Industries from TDP

Industries

Occupations	Aerospace/Aviation	Aluminum Manufacturing	Asbestos Abatement	Asbestos Mining	Asbestos Products Manufacturing	Automobile/Mechanical Friction	Building Occupant/Bystander	Chemical	Construction trades	Electric Power Production	Glass Manufacturing	Insulation	Iron	Longshore	Maritime	Military	Non-Asbestos Products Manufacturing	Other	Petrochemical	Railroad	Shipyard Construction/Repair	Steel	Textile	Tire/Rubber	Utilities
Abatement Worker																									
Acoustical Worker																									
Air Conditioning Installer/ Repairer																									
Asbestos Worker																									
Beamer																									
Boiler Coverer		1								1	1		1									1			
Boiler Inspector		1								1	1		1									1			
Boiler Insulator		1								1	1		1									1			
Boiler Operator		1								1	1		1									1			
Boiler Repairer		1								1	1		1									1			
Boiler Tender		1								1	1		1									1			
Boiler Worker		1								1	1		1									1			
Boilermaker		1								1	1		1									1			
Boilerman		1								1	1		1									1			
Brick Gang													1									1			
Brick Mason													1									1			
Brick Room Helper													1									1			
Bricklayer													1									1			
Brickman													1									1			
Building Remodeler																									
Burner																									
Carpenter																									
Caulker																									
Ceiling Tile Installer																									
Cement Finisher																									
Cement Worker																									
Chipper																									
Chipper & Grinder																									
Coke Worker		1								1	1		1									1			
Concrete Laborer																									
Concrete Worker																									
Construction Laborer																									
Construction Mechanic																									
Construction Superintendent
