

**NARCO Asbestos Trust
Presumptive NARCO Chart - 5/17/2016 Rev 2**

Key:

A pairing with a 1 at the intersection point will be considered presumptive NARCO if the exposure occurred at a site on the approved work site list within the relevant time frame.

Presumptive SOE Industries from TDP

Occupations

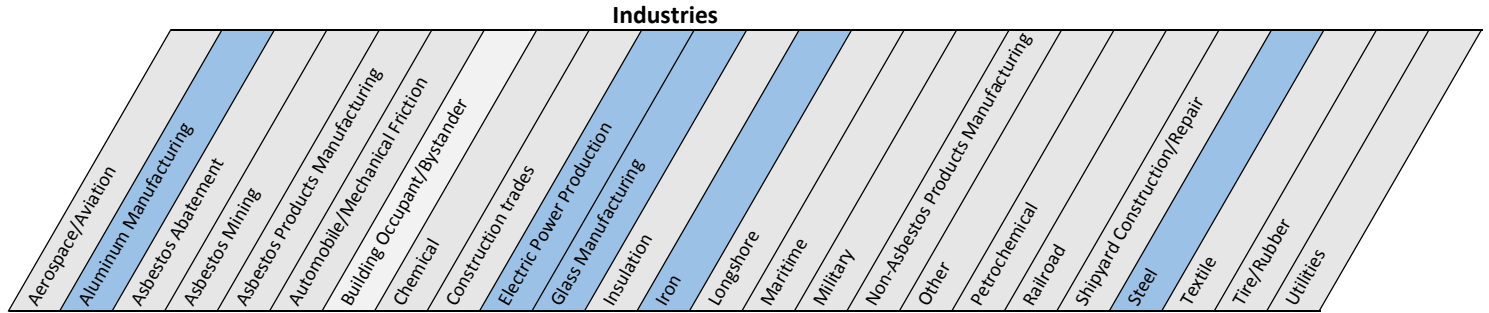

Occupation	Aerospace/Aviation	Aluminum Manufacturing	Asbestos Abatement	Asbestos Mining	Asbestos Products Manufacturing	Automobile/Mechanical Friction	Building Occupant/Bystander	Chemical	Construction trades	Electric Power Production	Glass Manufacturing	Insulation	Iron	Longshore	Maritime	Military	Non-Asbestos Products Manufacturing	Other	Petrochemical	Railroad	Shipyard Construction/Repair	Steel	Textile	Tire/Rubber	Utilities
Abatement Worker																									
Acoustical Worker																									
Air Conditioning Installer/ Repairer																									
Asbestos Worker																									
Beamer																									
Boiler Coverer		1							1	1		1										1			
Boiler Inspector		1							1	1		1										1			
Boiler Insulator		1							1	1		1										1
