

The Trustees of the NARCO Asbestos Trust would like to begin the process of registering law firms for filing with the Trust prior to the implementation date, currently estimated for MID OCTOBER 2013.

If you are interested in providing your filing documents proactively, there are four or five items that will need to be completed:

1) Hybrid Filer Agreement (HFA)

Note: The NARCO Asbestos Trust will ONLY have paper and hybrid filing methods. The evaluation model will ONLY be run by CRMC staff and therefore, no e-claims training is required.

2) Law Firm Affidavit

3) User Administrator Letter

4) W-9 Form

5) Electronic Funds Transfer, if desired by the firm

A PDF of the documents can be obtained by [clicking here](#). Once complete, they may be e-mailed to DJones@claimsres.com for review and approval.

Once the implementation date has been set, CRMC will host webinars on how to complete the electronic claim form and address specific questions you may have regarding the filing process.

The Trust is in the process of setting up its own website and that address is www.narcoasbestostrust.org.

Should you have any questions, please feel free to contact CRMC Customer Service at [1-800-536-2722](tel:1-800-536-2722) or via email at Inquiry@claimsres.com.

Once other information and documents become available, this website and the NARCO Asbestos Trust website will be updated.
